

INSPIRED BY THE SUN

Material Description	GeoBubble	Microns	Colour	Main Application	Warranty	Benefits									
						Raise Pool Temperature	Prevent Heat Losses	Minimise Heat Gain	Prevent Evap	Reduce Chemical Consumption	Reduce Debris Contamination	Reduce Filtration Time	Conserve Energy / Water	Extra UV Stabilizers	Minimises Algae Growth
Std Light Blue	X	400	light blue transparent	outdoor pools	2 year	up to 6°C	yes		98%	up to 30%	yes		yes	50%	
Std Black		400	black (aesthetic choice)	outdoor pools	1 year	minimal	yes		98%	up to 60%	yes		yes	50%	yes
Polyweave		400	dark blue - reinforced backing - tear resistant	indoor and commercial pools	N/A	minimal	yes good thermal		98%	up to 30%	yes		yes	50%	yes
Solarweave	X	400	light blue transparent - reinforced backing - tear resistant	indoor, commercial and outdoor pools	2 year	up to 6°C	yes		98%	up to 30%	yes		yes	50%	
Sol+Guard	X	500	pale blue transparent	outdoor pools	4 year Pro - Rata	up to 8°C	yes		98%	up to 30%	yes		yes	50%	
Energy Guard	X	500	dark blue upper / black underside	outdoor pools	4 year Pro - Rata	minimal	yes		98%	up to 60%	yes		yes	50%	yes
Cool Guard		500	light blue upper / black underside	outdoor pools	4 year Pro - Rata	none	yes	yes	98%	up to 60%		yes	yes	50%	yes
Vapour Guard		540	grey white upper / black underside. Small drainage holes allow rainwater to be harvested	agricultural, stored water, reservoir and small dams	3 year Pro - Rata	none	N/a	yes	98%		yes		yes	50%	yes
